

Part Number: **TC1279-178KIT**
Description: **FIBRE STORAGE LOOP,
OFFSET FOR 50mm DUCT**

Use / Application:

This kit allows excess patch cord length/s to be stored in the optical fibre duct system in an organised manner. It is normally fitted offset to a 50mm duct system, so that excess patch cord length can be stored away from the main duct run. It can also be fitted to the end or a corner of a duct system.

The unit comes with lids to provide complete, protection and can be assembled in either left or right hand orientation.

Benefits & Features:

- Provides safe storage for excess patch cord lengths.
- Clips straight into standard duct system by the normal joiner; available separately
- Tough, fire retardant material
- Joiners (Part No: TC1279-73) available separately.
- Purchase by the unit

Technical Attributes:

Dimensions	260mm (W) x 54mm (H) x 190mm (D)
Weight	190g
Materials	Fire retardant plastic, Halogen free, UL94-VO rated
Colour	Yellow
