

Part Number: **TC1279-208KIT**
 Description: **DUCT FIBRE STORAGE KIT,
 IN-LINE, 100mm DUCT**

Use / Application:

This kit allows excess patch cord lengths to be stored in the optical fibre duct system in an organised manner. It is fitted, in line, to a 100mm-duct system so that excess patch cord length can be taken up by winding it about the loop structure provided. The unit comes with lids to provide complete protection, for the stored optical fibre, and can be assembled in either left or right-hand orientation.

Benefits & Features:

- Provides safe storage for excess patch cord lengths
- Clips, in line, to a 100mm-duct system using either: the standard joiner (Part No: TC1279-27) or a slotless joiner (Part No: TC1279-248A)
- Tough, fire retardant material
- Joiners - either: the standard joiner (Part No: TC1279-27) or a slotless joiner (Part No: TC1279-248A); available separately
- Purchase as a unit

Technical Attributes:

Dimensions	420mm (W) x 105mm (H) x 370mm (D) (assembled)
Weight	1.6kg.
Materials	Fire retardant plastic, Halogen free, UL94-VO rated
