## Commercial and Web

|                                    |                                                                                        |
|------------------------------------|----------------------------------------------------------------------------------------|
| Short description                  | Mesh tray 220/110x5 2.5m HDG                                                           |
| Medium description                 | Defem - mesh tray U-shape - 220/110 - wire dia 5 mm - 2.5 m - steel hot-dip galvanized |
| Length                             | 2500 mm                                                                                |
| Width                              | 220 mm                                                                                 |
| Height                             | 110 mm                                                                                 |
| Material                           | Steel                                                                                  |
| Material type or surface treatment | Hot-dip galvanized                                                                     |
| Corrosion class                    | C4                                                                                     |

## ETIM (EC000853-Mesh cable tray)

|                                 |                       |
|---------------------------------|-----------------------|
| Profile shape (EF005179)        | U-shape               |
| Height (EF000040)               | 110 mm                |
| Width (EF000008)                | 220 mm                |
| Wire diameter (EF004603)        | 5 mm                  |
| Length (EF001438)               | 2500 mm               |
| Useful cross section (EF005140) | 55000 mm <sup>2</sup> |

|                                                          |                    |
|----------------------------------------------------------|--------------------|
| Model (EF000010)                                         | Without connector  |
| Screwless connector (EF008184)                           | No                 |
| Integrated partition (EF004799)                          | None               |
| Wide span model (EF006397)                               | No                 |
| Suitable for circuit integrity (EF007806)                | No                 |
| Material (EF002169)                                      | Steel              |
| Material quality (EF001257)                              | Other              |
| Surface protection (EF000139)                            | Hot-dip galvanized |
| Colour (EF000007)                                        | *                  |
| Max. safe working load according to IEC 61537 (EF016305) | * N/m              |
| Span between supports according to IEC 61537 (EF015363)  | * mm               |
| Load test type according to IEC 61537 (EF015362)         | Type I             |
| Weight (EF000167)                                        | 2.32 kg/m          |

## Logistic

|                   |                |
|-------------------|----------------|
| Pack 1 type       | Each           |
| Quantity pack 1   | 1              |
| Weight pack 1     | 5.8 kg         |
| Length pack 1     | 2503 mm        |
| Width pack 1      | 222 mm         |
| Height pack 1     | 107 mm         |
| Pack 4 type       | Pallet         |
| Quantity pack 4   | 56             |
| Weight pack 4     | 360 kg         |
| Length pack 4     | 2500 mm        |
| Width pack 4      | 800 mm         |
| Height pack 4     | 1040 mm        |
| GTIN pack 4       | 77332227012057 |
| Customs code      | 73089098       |
| Net weight        | 5.8 kg         |
| Country of origin | SE             |
